LEARN EASILY: SCORE HIGH GRADES AUDIOS (Series 1)

Audio Tapes For Easy & Quick Learning To Score High Marks In Test & Exams

(FOR JHS 1 - 3 STUDENTS)

- Did you know that most students learn more by listening to audios than by reading?
- And did you know that listening to audio tapes is an easier, better and quicker way of remembering information than reading?

Take A Look At The Learning Pyramid Below Which Is Based On Science & Research

The more active students are in their learning, the more they remember what they have learned.

Facts

- Read - remember only 10%
- Listen - remember 20%
- Listen again & again - remember 75%

This is why learn easily, score high grade audios is a better learning technique for students

What is Learn Easily, Score High Grades Audios?

Is a blend of past examination and standard classroom questions and answers (both essays & objectives) in audio format that helps students cut down learning & reading struggle by 50%, recall better and score high marks.

Stress-free learning -
It eliminates the stress and effort in reading

Some of The Benefits of Using The Audio Tapes

- **Learn more and easy in less time** – you only listen actively and attentively
- **Learn many topics in a short time** - the questions and answers cover a variety of topics and several areas of the subject so in less than 45 minutes, you go through a lot of topics by listening (which could have taken you several hours by reading)
- **Fast learning process** - answers are already given to the questions so you learn faster
- **Better retention and recall** - you can listen over and over again to retain better and recall easily and fresh
- **Build strong memory** - the questions and answers keep ringing in your mind all the time
- **No need of a teacher** – There is no rigid and formal classroom interaction
- **Score top grades** - score high in tests and exams and become a top class student

Listen and learn while eating, relaxing, performing a chore, sitting in a car, being in the washroom, in the classroom etc.

Who Can Use These Audio Tapes?

1. All JHS 3 candidates – for preparation towards external (BECE) exams
2. All students in JHS 1 to 2 – for life-long academic learning, classroom tests and internal terminal exams

The Full Package of Series 1

- The audio tapes content is stored on a **pen drive** for easy access everywhere and can be used on a tablet, computer, laptop etc.
- Each audio tape is about **35–45 minutes**

Full package of **32 sets** of audio tapes made up of Subjects & NLP Techniques :
